

NEW SEWER SYSTEM FOR ST. PETERSBURG

Ravages of Cholera Epidemic
Stirs Authorities Up.
Deaths Increasing.

ST. PETERSBURG, Sept. 23.—At the expense of thousands of lives, a toll to the ravages of cholera, St. Petersburg is to have a new sewerage system.

Premier Stolypin, in charge of the cholera situation, is promoting the new scheme, the estimated cost of which will be \$40,000,000. Already leading members of the duma have given assurance that that body will appropriate half of this amount, as it is impossible for the city alone to meet the tremendous cost.

Today was the worst since the present epidemic started. It is impossible to do other than approximate the number of new cases and deaths, as the returns to the health authorities are incomplete and frequently purposely misstated. The authorities say that the deaths are still under 600, but it is known that there have been 450 burials in one cemetery alone.

Conservative estimates of the number of the cases put them at 4,500, with the death rate climbing to 50 per cent.

GRAVE CHARGE MADE AGAINST "SHOW" MAN

Theatrical Agent Accused by Girls
Whom He Was Training
for Stage.

CHICAGO, Sept. 23.—Five girls appeared in Judge Gemmill's court this morning and made serious accusations against George A. Gold, a theatrical booking agent.

Bell Forbes, seventeen; Cecilia Greenberg, sixteen; Florence Knapp, seventeen; Rose Moses, sixteen; Emma H. Storm, sixteen years, are the girls.

According to the story told by the girls, Gold advertised for young women two weeks, stated that he would teach them to become actresses and would pay them \$5 a week while they were learning the profession. From the dozens who were lured to his office in this way, Gold chose the five girls who are now his accusers.

The girls say he gave them ill-fitting tight and boxes of rouge and powder with which to "beautify" themselves each time they went on the stage.

Last Friday night, according to the Storm girl, on the pretense that she wished to pay her Gold called her into a room in a State street hotel. There he made improper advances to her and attacked her. She said he compelled her to remain there all night and took her back next day to the amusement park.

PASTOR LEAVES WIFE FOR CHOIR SINGER

Indiana Minister Runs Away With
Nineteen-Year-Old Girl
From Carmel.

CHARLOTTEVILLE, Ind., Sept. 23.—The Rev. J. W. Richey, pastor of the Methodist Church here, it is alleged, has deserted his family, and the community is greatly excited.

Richey had been in charge of the church for eighteen months. His wife says he left a note addressed to her in which he wrote that he had gone away with Miss Edna Williams, aged nineteen, who had been living in the family, adding that they had gone to stay, and would be seen here no more.

The mother of Miss Williams is with the deserted wife.

The Richey family includes the wife and a two-year-old girl baby who has always been the idol of the father.

Miss Williams belongs to a highly respected well-to-do family living in the country near the city. She was a singer in the Methodist Church here while Richey was pastor.

MILLIONAIRES ACT AS STREET BOSSES

SAN DIEGO, Cal., Sept. 23.—This city can boast of a record held by no other in the United States—not even by Pittsburgh with its justly celebrated double portion of millionaires.

San Diego's claim to distinction is based upon the fact that there are three assistant street superintendents who are millionaires. They are John D. Spreckles, owner of the San Francisco Call; Al G. Spaulding, the sporting goods magnate; and B. W. Scripps, the newspaper man.

SUED FOR DIVORCE

MISS MAXINE ELLIOTT,
Beautiful Wife of Nat Goodwin, Who Is Suing Her for Divorce in the Courts of Reno, Nevada.

RENO, Nev., Sept. 23.—Nat C. Goodwin, actor and mining promoter, whose name has figured so prominently in the romance between Edna Goodrich and Harry McMillan, yesterday afternoon filed a sealed complaint for divorce against his wife, Bessie Hall Goodwin, more familiarly known as Maxine Elliott.

Owing to the fact that the complaint is a sealed document and that no other papers in the case have been filed, the nature of the allegations made by Goodwin are veiled in mystery. It is said, however, that in the complaint is the story of the wife's life behind the scenes of her theatrical career on two continents.

It is thought Mrs. Goodwin will contest the suit filed by her husband. It was definitely announced a short time ago that she was about to file suit for divorce against the actor and that her complaint for divorce contained some very startling allegations against his character. If this be true, there will probably be a cross bill as well as a general denial of the allegations made by Goodwin.

Back of it all comes the conjecture that the reason of the recent rupture in the domestic relations of Harry McMillan and Edna Goodrich, which resulted in the breaking of their engagement, means that Goodwin is succeeding in his fight for the heart and hand of the former "Florodora" beauty.

The domestic teston that has kept Mr. Goodwin and Mrs. Goodwin more or

CHICAGO, Sept. 23.—Detective Thomas Flynn, forty-eight years old, assigned to duty at Twenty-second street station, was shot in the right thigh last night when he attempted to disarm Miss Ray Wallace, twenty-three years old, of 1830 Twenty-second street, after she had discharged a revolver in the street, and then fled into a saloon. The woman insists that the shooting of the officer was intentional, while the police say it was accidental.

She was arrested and Detective Flynn was removed to the Mercy Hospital, where his condition is considered critical.

PRIEST SLAYER MAY GIVE MORE DETAILS

Police Hope to Amplify Alleged Confession of Youth Held in New York.

NEW YORK, Sept. 23.—Enrique Delara, the seventeen-year-old Dominican, who, it is claimed by the police, has made full confession of the murder and robbery of Rev. Father Arturo Ascenso in Central Park on the night of September 14, will be taken to the scene of the crime where the detectives hope to break down the boy's self-possession and obtain a more detailed account of the killing.

The police are working along the line of a possible conspiracy among Dominican enemies of the priest with the boy as their agent.

According to the authorities, Delara has admitted robbing Father Ascenso on a previous occasion and killing and robbing him in the park because of alleged propositions made him by the priest.

Insulted in Hotel

In his alleged confession, Delara says that one day in August he was with the priest in his room at the Hotel Inglaterra, in West Fourteenth street where, after insulting him, Father Ascenso left the room for a few moments and Delara robbed his trunk, in revenge, he says, of \$170 and a gold watch.

On the night of the shooting, Delara said he met the priest by appointment at an Eighth avenue entrance to the park and walked with him. In a deserted spot in the park Father Ascenso, Delara claims, insulted him and enraged him to such a degree that he drew his revolver and fired. The priest fell and Delara tore off his watch and chain, took his purse, and ran.

Denied Crime at First.

When arrested, Delara at first denied all knowledge of the crime.

The boy said that his father is Jacobo Delara, a wealthy importer and exporter of cocoa, with a main establishment in Santo Domingo and branch offices in Germany, France, and England. A letter has been found in the boy's room from his father, showing strained relations between them.

"You were born for your own misconduct," wrote the senior Delara in refusing passage money home to his son.

Delara's father, who was against the wishes of his father, who wanted him to study dentistry in France.

Care of the Bathroom.

To insure perfect safety from disease germs every part of the bathroom must be well looked after and a daily cleaning and weekly scrubbing are necessary to keep it in a sanitary condition. The tub should be cleaned each time after it is used. For this purpose keep in the bathroom a bottle of a solution made by dissolving two tablespoons of Gold Dust washing powder in half a gallon of water. Once a week thoroughly scrub and scald the tub, basin, and toilet with this solution. Wash down the pipes boiling water to which has been added two tablespoons of Gold Dust washing powder to every gallon of water. Use a small hook or bent hairpin to remove the hair from the drain. Clean the nickel and brass fixtures in the bathroom by rubbing with equal parts of whiting and Gold Dust washing powder.

QUESTION IS LEFT TO THE PRESIDENT

President Roosevelt is to decide whether the Washington Monument will be used as a wireless telegraph station, a question that has been before the authorities for some time. Opposition to the proposition has arisen on the ground that to put the great monolith to such practical, everyday use would be an act of desecration. It is contended also that wire at the top would disfigure the shaft.

The arguments are combated by the adherents of the plan, who say that the only external evidence of the wireless apparatus would be a band of some sort of material with antennae near the apex of the shaft and this would not be visible from the ground as the band would be painted white.
